

LEGENDS, MYTHS + FANTASY

On behalf of the committee
thank you for participating
in the 2019 Scone Equine
Hospital Horse Festival
Parade.

PLEASE BE AWARE OF THE FOLLOWING ADVICE FOR HORSE FESTIVAL PARADE DAY

1. There will be no access into White Park from Guernsey Street during the marshalling of the parade.
2. There is no available parking in Guernsey Street between Liverpool St and White Park prior to or during the parade.
3. Hill Street traffic will only flow from Liverpool Street towards Kingdon Street before the parade and will then be closed entirely by the end of the parade.
4. School entries assemble in Kingdon Street between the railway and Guernsey Street. It is best to accompany and deliver children for the school floats from the back area of the Coles car park and walk the children across from there.
5. Do not throw lollies or any missiles from vehicles. Walkers can only pass out lollies, brochures, or information.
6. Children under the age of 12 riding horses must have a supervisor and it is recommended that such children are led and controlled by a responsible person during the Parade.
7. It is expected that riding helmets be worn whilst participating in the Parade.
8. No alcohol is to be consumed by any person in vehicles, on floats or horseback in the Parade, and there should not be any promotion or display of alcohol.
9. When your float returns to the marshalling area after the parade you must disembark from the vehicle immediately before it moves away from the area.
10. Horse participants must remain in the marshalling area until the parade is over.
11. Please comply and follow the directions given to you by committee marshals, Upper Hunter Council traffic controllers or Police in the marshalling area.
12. The Scone Horse Festival Committee and Upper Hunter Shire Council do not accept responsibility for injuries sustained by participants or any damages to property.
13. The parade starts at 10.45am.
